The order having been confirmed in the Judl Branch, the file has now to be returned to the Secretary as directed in his note of 18.7.08 on page 5 of these notes, for orders re: the Scale of Specialists in Mysore.

10.8.08.

The general question for consideration is the number of appointments in the class of Specialists and the rate of pay admissible to officers of this class.

Secy) 15.8.08. Rlwd

Though the term "Specialist" is a suitable enough ~~designation~~ of the possession of Special Qualifications by the particular incumbent of an office, its employment with reference to a grade of officers does not seem to be a happy one. As used in the Govt order of 23d Sep. 1899, & since, it apparently means simply an appt which was not contemplated when the scale of establishment of the Dept was originally fixed & which has therefore had to be specially created. There have been only three such

appointments in the past (those of Dr Ramaswamiengar, Dr Srinivasalu, & Dr Hyderaganam); & from the nature of the case, such appointments must necessarily be infrequent.

The pay, too, of a specialist appt has to be fixed with reference to the qualifications of the particular man we are able to secure for the appt, & is liable to variation accordingly.

It will therefore be seen that so long as "specialists" are kept in a separate class by themselves, ~~it is not possible~~ it is neither necessary nor possible to fix once for all their number or the salary or pay admissible to them, since it is impossible to foresee future requirements, especially in a progressive scientific dept like the medical.

[redacted]

So far as financial requirements are concerned, the Comptroller has simply to take the number & rates of pay ~~of~~ existing at any given time as the prescribed number & rates for the time being, (except as regards acting all cs, which has to be determined by Govt in each

case according to the qualifications of the acting ~~incumbent~~ incumbent.
Any additional appointment or increase of pay will constitute a variation of the sanctioned scale, & will have to be regarded accordingly.

I do not know if it is necessary in the present connection to consider the feasibility of bringing the present specialists ~~to the~~ into the regular grades by increasing correspondingly the number of appointments in such grades, — this being an important question on which we have not yet the views of the Head of the Department here. But I may state that the chief reasons for keeping the specialists in a class by themselves are, if I may not mistake, first, that the regular grades do not offer sufficient prospects to ~~the~~ men with high special qualifications, and, secondly, that the interposition of new men ~~to be calculated to~~ prejudice the prospects of officers already on the regular staff.

No formal reply to the Comptroller seems necessary*; but the papers might be forwarded to the Financial Secretary for perusal, & if he still considers action necessary, for an expression of his views

* The Viceroy has in another case disapproved of formal communications in such matters.

I agree generally.
The term 'specialist' is not appropriate. I wonder whether there is a grade or class of specialists in the Medical Departt of British India
It would be inconvenient to fix the scale of pay of this class of medical officers which must depend upon the qualifications of the man and the price they command in the open market.
Even Dr. R Lengar and Dr Sreenivasa Rao rose from Rs 200 to start with Dr. Mylvaganam was started on Rs 400, being an FRCS of England and a surgeon of acknowledged reputation.

Seen. Matters may be left where they now are. It may not be possible to bring all specialists within a grade & such a course is not absolutely necessary for audit purposes. The Secretary's note puts the case very clearly and there are examples of specialists outside the regular grades in British Provinces.

PROCEEDINGS.

Dated 23rd September 1897.

No. 3868-9 / Mis.-736

Sanctioning the revision of the Medical Establishment of the State.

READ :—

Letter No. 935, dated 3rd May 1897, from the Senior Surgeon and Sanitary Commissioner with the Government of Mysore, submitting a proposition statement containing certain proposals for the revision of the Medical Department of the State.

2. Letter No. 973, dated 13th May 1897, from the same Officer, suggesting that the two Assistant Surgeons in charge of Special Institutions be placed in a separate grade, with the same salaries and prospects of promotion, as Assistant Surgeons on ordinary medical duty.

No. 3868-9—Mis. 736, DATED, BANGALORE, 23RD SEPTEMBER 1897.

ORDER THEREON.—The present Medical Establishment of the State consists chiefly of Officers employed under the re-organization scheme, sanctioned in Government Proceedings No. 885-7—4, dated 5th May 1884, the only important modifications since made being :—

(1) The creation of a grade of Senior Hospital Assistants under Proceedings No. 7000-1—72, dated 26th January 1887.

(2) The institution of a grade of Sub-Assistant Surgeons under Proceedings No. 2946-7—dated 26th March 1888, with pay and allowances subsequently fixed by Proceedings No. 22321-2—14, dated 6th July 1888 ; and,

(3) The appointment of a Special Civil Surgeon on a salarly of Rs. 600.

2. The Senior Surgeon now submits certain proposals for strengthening Medical Service of the State and improving the pay and prospects of the members of the various grades constituting it. Having given those proposals their most careful consideration, Government are of opinion that they are on the whole very reasonable. The object of the scheme is not only to add to the number of superior Officers to the extent called for by present requirements, but also to make the emoluments in the Medical Department nearly the same as in other departments, and to offer some definite prospect of promotion to the various grades of Medical Officers.

3. *Civil Surgeons.*—In addition to the Special Civil Surgeon on Rs. 600 above referred to, there are now three class of Civil Surgeons on Rs. 500, 450 and 350. There are no Officers in the 1st Class, while there are two in the 2nd Class and one in the 3rd. The Senior Surgeon proposes to do away with the special appointment and to have three classes on Rs. 600, 500 and 400, respectively.

Government are pleased to direct that the scale of Civil Surgeons be fixed at present as follows :—

One in the 1st Class on Rs. 600 and three in the 2nd Class on Rs. 500.

Promotion from one class to another will be by vacancy and not by mere efflux of time.

The question of increasing the number of Civil Surgeons from four to eight by having a 3rd Class on Rs. 400, with the object of providing prospects of promotion to deserving Assistant Surgeons, requires no decision at present.

Civil Surgeons will be appointed by selection and according to merit.

4. *Assistant Surgeons.*—The total number of Assistant Surgeons is at present twelve, besides the two specialist who will be separately dealt with. Surgeon Lieut.-Colonel Benson's proposal to raise this number to 17 is approved. The salaries attached to Assistant Surgeons have hitherto been as follows :—

	Rs.
1st Class	200+50
2nd Class	150+50
3rd Class	100+50

There will in future be four classes of Assistant Surgeons on consolidated pay as shown below :—

	Rs.
1st Class	300
2nd Class	250
3rd Class	200
4th Class	150

Mr. T. Rangaswami Pillai, Superintendent, Indigenous Hospital, Mysore.	To be 4th Class Honorary Assistant Surgeon on Rs. 150.
Mr. P. Chengalraya Mudaliar.	To be 1st Class Honorary Sub-Assistant Surgeon on Rs. 120.
Mr. N. R. Ponnaswami Pille. Mr. D. M. Gnanapriam Pille.	To be 2nd Class Honorary Sub-Assistant Surgeon Rs. 100.

C. SREENIVASIENGAR.

Secy. to Govt., Gen. & Rev. Depts.

To—The Senior Surgeon and Sanitary Commissioner with the Government of Mysore.
The Comptroller to the Government of Mysore.

Assistant Surgeons will rise from one class to another after three years' approved service. As, in future, all persons entering the higher branch of the Medical Service will ordinarily begin as Sub-Assistant Surgeons, there will be no difference in point of period of approved service required for promotion from the last class of Assistant Surgeons to the next higher class, between a Madras M. B. or Bombay L. M, S., and a Madras L. M. S.

5. *Specialists.*—There are two Specialists on Rs. 150+50+50 and Rs. 150+50, respectively, namely. Mr. S. V. Ramaswamaiengar, M. B., C. M., L. R. C. P. &. S. (Edin) L. F. P. and S. (Glasgow, who is in charge of ihe Eye-Infirmary and Mr. M. Srinivasa Rao, M. A., M. B., C. M. & B. SC. (Edin)., who has recently been appointed Chemical Examiner and Bacteriologist. The Government are pleased to sanction the following consolidated salaries for them; namely :—

For Mr. S. V. Ramaswamaiyengar, Oculist, Rs. 300 for all duties, the present allowance of Chief Assistant to the Senior Surgeon being abolished ; and

For Mr. Srinivasa Rao, Chemical Examiner and Bacteriologist, (also for all duties) Rs. 200 rising to Rs. 250 after three years' approved service, from the date of his first appointment (12th December 1896) and to Rs. 300 after a further approved service of three years.

Their prospect of further promotion whether as Specialists or in the General Medical Service need not now be defined.

6. *Sub-Assistant Surgeons.*—There are now two classes of Sub-Assistant Surgeons on Rs. 90 + 30 and Rs. 70 + 30. In future these officers will be placed in three classes on consolidated pay as follows :—

1st Class on Rs. 120, after two years' approved service in the 2nd Class.

2nd Class on Rs. 100, after two years' approved service in the 3rd Class in the case of an M. B. of the Madras University or L. M. S. of the Bombay University, and three years' approved service in the case of an L. M. S. of the Madras University.

3rd Class on Rs. 80.

There will be twelve Sub-Assistant Surgeons instead of six. The promotion of a Sub-Assistant Surgeon to an Assistant Surgeonship will be regulated by vacancy and merit and not by time. All persons to be appointed to the grade of Sub-Assistant, Surgeons must have passed the Madras M. B. Examination or the L. M. S. Examination of Bombay or Madras.

7. *Apothecaries.*—For the special benefit of woman-doctors with Apothecary qualifications but not possessing the degree qualifications prescribed for Sub-Assistant and Assistant Surgeons, the institution of a grade Apothecaries will be sanctioned with salaries as per scable below :—

		Rs.	
1st Class	... ...	150	To rise from one class to the next higher by approved service of five years.
2nd Class	... ...	125	
3rd Class	... ...	100	
4th Class	... ...	75	

The Seinor Surgeons's proposal to promote male Hosptial Assistants with Apothecary qualifications to the grade of Apothecaries does not commend itself to Government.

8. *Honorary Sub-Assistant Surgeons and Assistant Surgeons.*—As a reward for special merit among Apothecaries and Senior Hospital Assisiants, Government will, from time to time, make such honorary appointments from among them as may be deemed desirable, to particular classes of Sub-Assistant Surgeons and Assistant Surgeons, and advance them in due course to higher classes in the same grades. The scale of such honorary appointments will, for the present, be fixed as follows :—

	Rs.
1 Honorary Assistant Surgeon (4th Class) on	150
1 Do Sub-Assistant Surgeon (1st Class) on	120
2 Honorary Sub-Assistant Surgeons (2nd Class) on	100
